

PIC 18 Microcontroller Basics & Design of Embedded Systems

Srikanth Manam
Srinivasulu Raju S
Madhu Kumar Patnala

About the Authors

Srikanth Manam received B.Tech degree in EIE from Bapatla Engineering College, Bapatla, AP. He received his M.Tech degree in Digital Electronics from S.D.M College of Eng. & Tech., Dharward, KA and M.E.E degree in Electrical Engineering from University of Alaska Fairbanks, USA. He is an Asst. Professor in Dept of ECE, at Bapatla Engineering College, Bapatla, AP. He has around 20 years of experience in industry and academia.

Dr. S Srinivasulu Raju received his B.Tech degree in EICE from S V University, Tirupathi, AP. He received his M.E degree in Instrumentation Engineering from MIT Campus, Anna University, Chennai, TN and PhD degree from Department of Instrumentation & Control Engineering, National Institute of Technology, Tiruchirappalli, TN. He is currently working as an Asst. Professor in Dept of EIE, at Siddhartha Academy of Higher Education (Deemed to be University), Vijayawada, AP and has around 16 years of experience in academia.

Madhu Kumar Patnala received his B.Tech degree in ECE from K.L. College of Engineering. He received his M.E degree in Applied Electronics from Satyabhama University, Chennai, TN and M.Tech degree in Embedded Systems from JNTU Anantapur. He is currently working as an Asst. Professor in Dept of ECE, at Bapatla Engineering College, Bapatla. He has around 20 years of experience in academia.
